YEAR 6 SCHOOL VISION WORK

Year 6 have been incredibly busy! They have been exploring the school vision statement, contemplating their hopes and dreams and writing letters to a significant person in their life. We have recorded these in our big book; I am sure you will agree that not only are the words and sentiments touching, they are quite

spectacular to look at. Keep up the stellar work year 6!

PUNCTUALITY AND ATTENDANCE TABLE

Which class will win next week?

As a school we aim for at least **96%** attendance. Due to covid the latest figures state that nationally attendance is 93% for primary schools. At present SMAB is **93.76%**, which is better than national and slightly better than last week. We still need to ensure all pupils attend school unless they are showing covid symptoms or any other illness.

A massive WELL DONE! to 4I who won the punctuality and 4H who won the attendance trophy.

DROP OFF AND PICK UPS

It saddens me to have to write to parent/carers about taking care of one of their most precious possessions; their child!

PLEASE DO NOT STOP YOUR CAR IN THE MIDDLE OF THE ROAD TO DROP YOUR CHILD OFF.

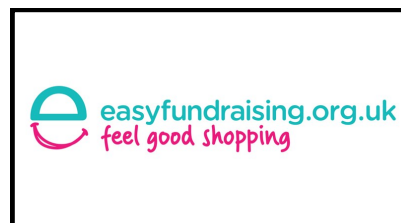

This is extremely dangerous and inconsiderate to others in the school community who are safely dropping off and collecting their children. You are putting your child and other children in danger.

Please set a good example to our children.

4I's WORK ON TORCHES

In 4I this week we spent a day designing and creating torches! We started the day by designing an appealing and functional product for a target audience, then went onto designing a cross sectional diagram of a torch. In pairs they drew and decorated the case of torches. Finally they made their torches and they looked great! Take a look at their process...
