## SCIENCE NINJA LAUNCH

On Thursday, we launched our Science Ninjas scheme with an assembly, lots of practical science lessons across the school and a workshop for parents in the afternoon. Thank you to all the family members who came to take part in practical science activities and learn more about the scheme, which rewards children for demonstrating one of four practical science skills. Those skills are: observing, measuring, using equipment and recording.

Children can also gain a Science at Home award for watching science focused programmes, reading science books, carrying out science investigations at home or identifying science in the world around them. Please support your child to do some of these things and earn themselves a Science at Home award.

## YEAR 4 GEOBUS

Year 4 were visited by GeoBus this week from the University College London for a brilliant science workshop. We were focusing

on our topic of sound through looking at earthquakes; how they are produced and the effect they have. Using their knowledge of vibrations, Year 4 created buildings that could withstand an "earthquake" with varying levels of success. Thank you GeoBus!

## GIRLS FOOTBALL MATCH

"We have had a tough start to the footballing season for the girls, conceding our first defeat. The new and upcoming Year 5's and 6's had big shoes to fill as we lost some very talented players, however, considering for most of the players it was their first ever football match, I think they all did extremely well in tough muddy conditions. The team showed great resilience as they got stuck in and never gave up, unfortunately it just wasn't their day."

## PARENT AND FOUNDATION GOVERNORS

I am pleased to announce that Mrs Daniela Atmania (Year 3 parent) is our new parent governors and Michelle Broomers our Foundation Governor for St Michael at Bowes.

## PUNCTUALITY AND ATTENDANCE TABLE

Which class will win the trophies next week?  
5A won both the punctuality trophy and the attendance trophy with 99.26%. Well done to 5L who also got 99.26% but their lateness was higher than 5A; so 5A won both trophies.
