FLU VACCINATIONS

Please read the information from Enfield Public Health regarding flu immunisation.

“This year it is really important to ensure that children are protected against flu virus. Every child in primary school and Year 7 will be offered immunisation. This year, it is even more important than usual to get your child immunised. Children can be unwell and need time off school if they are ill with flu, they can also spread flu virus to more vulnerable friends and family. If you would like to discuss your child's flu immunisation with one of our immunisation team please contact **0208 702 3324** or **Team email : beh-tr.enfieldimmunisationteam@nhs.net**”

YEAR 4 NORFOLK PARK TRIP

In Year 4 as part of our Science unit in Living Things and Their Habitats the children visited Norfolk Park. They were able to identify living things in their local area in order to create a key in Science and classify their findings. They also did a litter pick of the park while they were there.

PUNCTUALITY AND ATTENDANCE TABLE

Which class will win next week?

As a school we aim for at least **96%** attendance. Due to covid the latest figures state that nationally attendance is decreased from 93% to 90% for primary schools. At present SMAB is **97.1%**, which is much better than national and slightly down on last week.

We still need to ensure all pupils attend school unless they are showing covid symptoms or any other illness.

A massive WELL DONE! to **3S** who won the attendance trophy with a fantastic 100%. Well done! 4C won the punctuality trophy. There are still too many late arrivals. Please ensure your child is on time.

HOME LEARNING PROJECTS

We have been inundated with fantastic home learning projects over the past few weeks!

We have all really loved learning more about our school community and celebrating what makes us all special.

We are going to create a short film to showcase the work and display the projects somewhere in school for others to read and enjoy.

Hopefully in the summer term we will be able to invite families into school to view them in person.

Please keep sending them as your child finishes them.
