Newsletter Date:
Friday 5th
March 2021

Spring Term
Issue 8

EU PARENTS-Important Brexit Information:

Message sent on behalf of Enfield Citizens Advice:

Brexit will affect the lives of EU citizens and their children. Parents, legal guardians and those with any responsibility for a child/children may need to take action to ensure they secure the rights of those children in the UK. According to The Migration Observatory, there are over 900,000 children of non-Irish EU citizens living in the UK. In many cases, parents, carers or legal guardians may not know that these children can and need to apply. This includes 239,000 children born in the UK, many of whom may not be British citizens.

(info: <https://www.london.gov.uk/what-we-do/european-londoners-hub/brexit-impact-children-eu-citizens-living-uk>)

All applications must be made to the EU settlement scheme **by 30 June 2021.**

Citizens Advice Enfield is providing advice to those EU/EASS and Swiss citizens living in Enfield that need support with applications.

Please refer to the attached leaflets at the end of this newsletter for further information

SMAB REMOTE LEARNING

YEAR 3

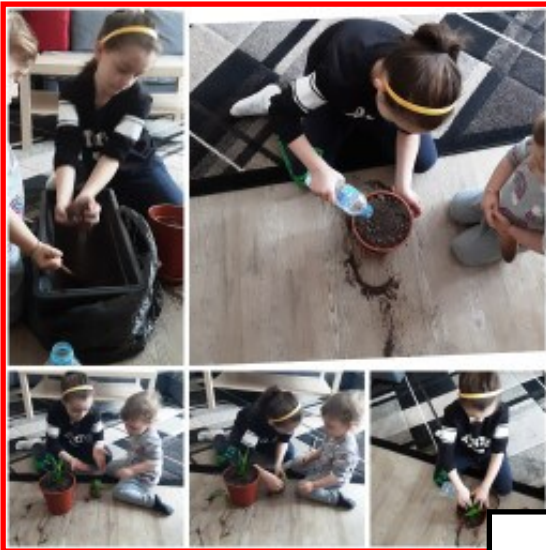

Year 3 have been incredibly busy completing last week's Screen Free activities – Sarah from 3M made pancakes for Shrove Tuesday. Andras from 3T became Head Chef at the 'Choose the World You Want' restaurant. His delicious menu will definitely create a positive difference in the world. In addition to this, he also created a wonderful picture based on what he could see outside his window.

YEAR 4

Year 4 has been embracing Spring and have been planting some flowers and fruits. Fjona is documenting the growth and doing some brilliant observation work; great Science skills on show!

In RE, Year 4 have explored this term's value, cooperation. Pupils have been writing letters to loved ones and thanking them for their support as part of our focus on the Beatitudes. They have also been very sneaky too and have been 'spying' on people at home to see when they have been showing our value and it has shown

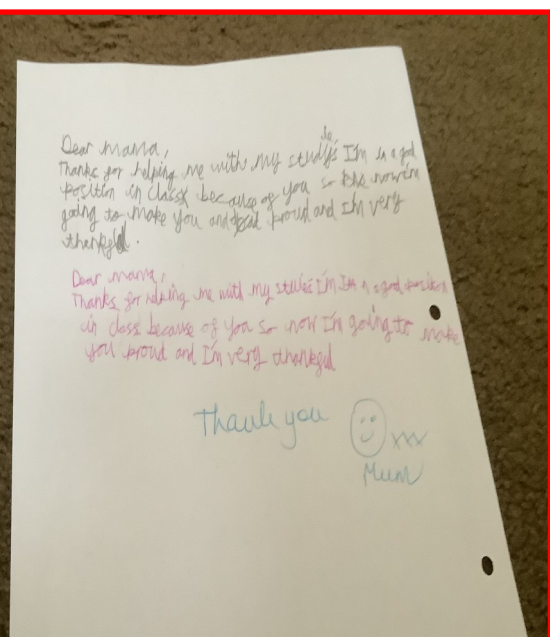

Dear Cousin,

I hope you have a wonderful time because it's your birthday! You've been the best cousin ever and I just want you to know that if you need me I will always be there for you.

I am righting this to you because you mean a lot to me and thank you for all the help and support you helped me with and I also want to wish you a ❤️Happy Birthday!❤️

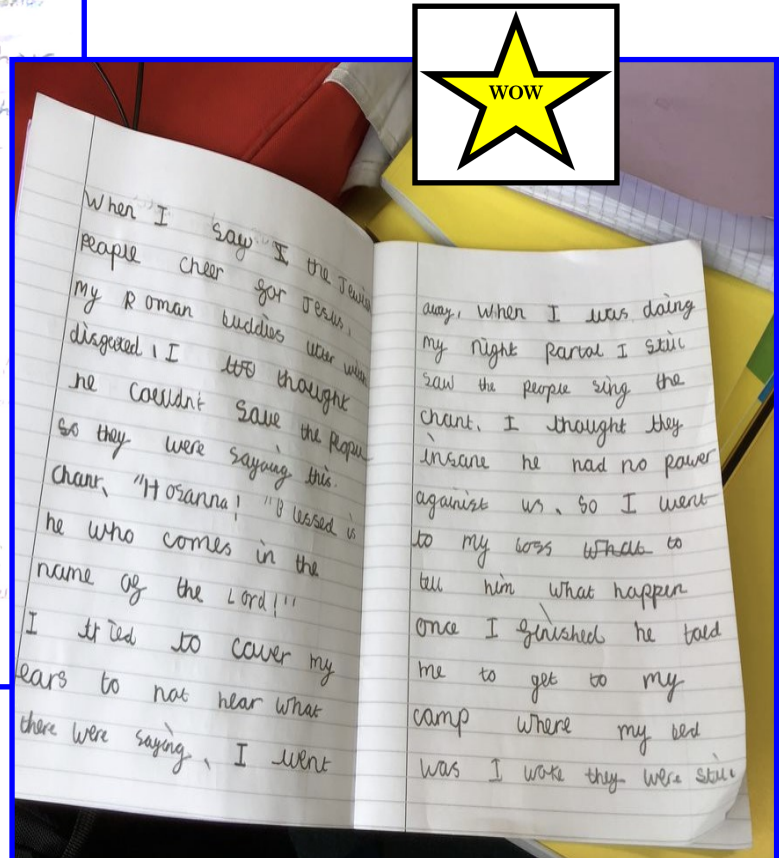

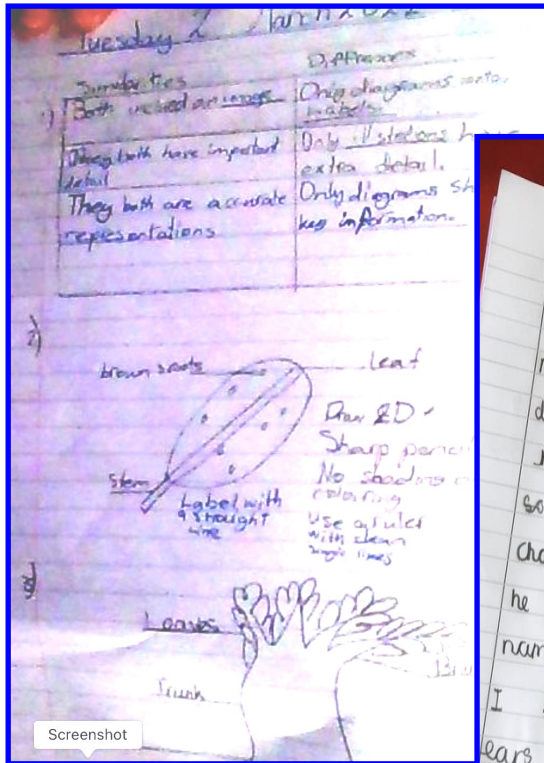

From you Cousin: ❤️Ella❤️

Reflection: I cooperated with my cousin back when there was no covid-19. We used to have sleepovers and help each other with our work. Especially when we used to work together to solve word problems, and play games together to! This was important to me because we liked to spend time together and laugh all day. But sometimes now we call and play some games together and talk.

YEAR 5

In year 5 we have been looking at how to draw scientific diagrams, attached is an excellent example sent in from Lucy. This excellent RE work is by Maxim and Elesh, they have started their topic on Lent and were focusing on Palm Sunday from an observers point of view.

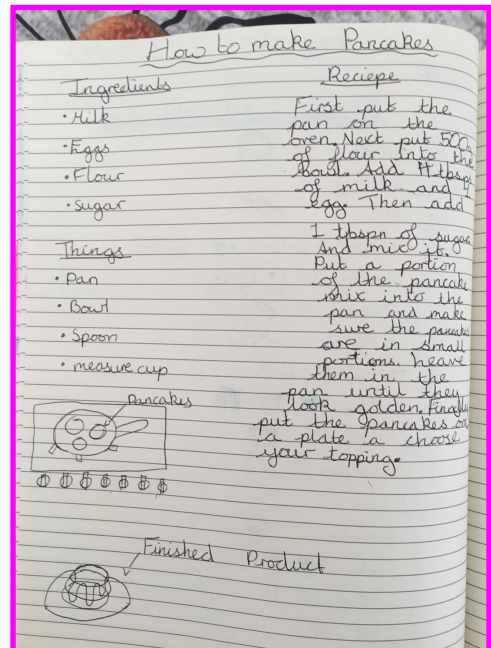

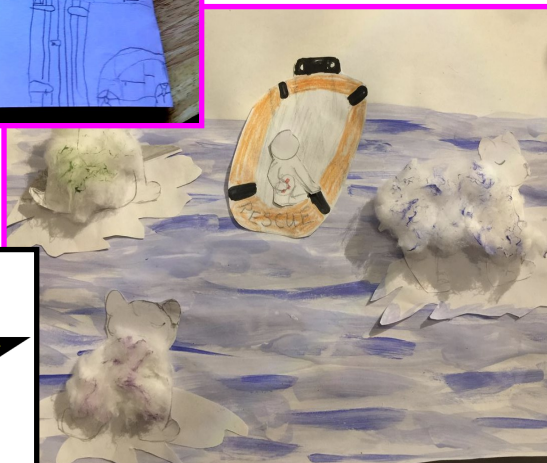

As Jesus walked in the temple, he was greeted by the Jews. I started trying to get him out of the temple, but when I got close the Jews pushed me away saying I should not go close to him. So I just hid behind a bush looking at what he is doing. He was like putting his arm together and kneeling down saying stuff. It was so weird to me so I just kept looking. He was telling the Jews something like this "Blessed are the poor in spirit, for theirs is the kingdom of heaven." And he kept like teaching them stuff. I came out the bush as he came out the temple and pretended that nothing happened. I kept my cool and went on with my day.

YEAR 6

Year 6 have been working incredibly hard during this time and we have been so impressed with their effort! Last week, for screen free Friday, they created bird feeders or nests, posters on polar bears and information on how to protect them, sketches from a window and pancakes, lots of pancakes!!

Well done Year 6!

RAPID LATERAL FLOW TESTING

Households and bubbles of all school pupils and staff

From 1 March 2021, if you're a member of a household, childcare bubble or support bubble of staff or a pupil you can get a twice-weekly test. Here is how:

1

Take a test at a rapid lateral flow test site

Centres open 7 days a week 9-6pm

- Boundary Hall, 7 Snell's Park, N18 2SY
- Brigadier Hall, Cedar Road, EN2 0NL
- British Alevi Federation Community Centre, Great Cambridge Road, N9 0LE
- Green Towers Community Centre, Plevna Road, N9 0TE
- Kempe Hall, Kempe Road, Enfield, EN1 4QS
- Southgate Library, High Street, Southgate, N14 6BP
- John Wilkes House, 79 High Street, EN3 4EN

2

Collect test kits

You can collect 2 packs of home test kits at a local collection point. Each pack contains 7 tests.

Centres open daily 1.30pm-7pm

- Lea Valley Athletics Centre, N9 0AR
- Boleyn Hall, EN1 4HS
- Raynham Road Car Park, N18 2SJ
- Lodge Drive Car Park, N13 5UB

3

Order home test kits online

If you cannot attend a test site to be tested or collect home test kits you can order online for home delivery at:

<https://www.gov.uk/order-coronavirus-rapid-lateral-flow-tests>
