COMMUNITY EDIBLE GARDEN

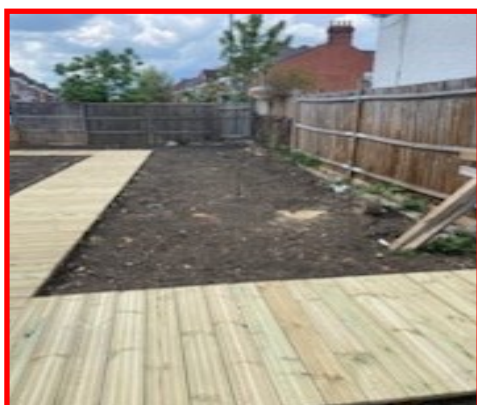

The garden we now share with St Cuthbert's and a local GP surgery is beginning to take shape!

All classes have planted seeds in troughs in the classroom and once we have plants, some will be transferred to the garden. Our space has been allocated, we have planned out our plot and begun to purchase what we need for each year group to have an area to cultivate.

We have had offers of support from two parents so far - thank you, we will be in touch soon.

Pupils from each year group will be able to visit the site and help to dig, plant and look after our edible garden.

We would still appreciate any offers of support to tend our spot, build raised beds for some plants and wall boxes to grow herbs.

PUNCTUALITY AND ATTENDANCE TABLE

Which class will win next week?

CLASS	Punctuality	Attendance %
3S	2	98
3T	6	97
3M	7	92
4I	6	96
4C	3	99.26
4H	2	97
5A	5	99.2
5E	3	99.17
5L	3	99.23
6B	3	96
6O	0	99.29
6W	3	98

As a school we aim for at least **96%** attendance. Due to covid the latest figures show that nationally, attendance for primary education is a 96%, which is great. At present SMAB is **98%**, which is better than national.

We still need to ensure all pupils attend school unless they are showing Covid symptoms or any other illness.

A massive WELL DONE! to **6O** who won both the attendance and punctuality trophies with 99.29% attendance and 0 lates.

Well done to the other classes, so many managed to achieve 99%

CHRISTIAN AID

Next Friday 14th May it is **NON-UNIFORM DAY**.

The children are asked to come into school wearing **BLUE**, in the fight for Climate Change. Envelopes will be provided to each child to put their donation in.

The donated envelopes will be collected between Monday 17th May—Wednesday 19th May 2021. Collection points will be in each year group corridor.

Thank you in advance for your support.
