

## EXIT POINT -YEAR 4

This week, children from Year 4 were transported back to the 14<sup>th</sup> century to the time when Pharaoh Akhenaten and Queen Nefertiti ruled ancient Egypt. In the morning the children became apprentices and learnt skills such as making oil from olives, writing hieroglyphics, bread making, mummification, making canopic jars, painting frescos and stone carving.

In the afternoon, there was a feast to celebrate the appointment of a new High Priestess of the city of Aten. Slaves served the Pharaoh and his queen, and their many guests with wine, olives that had been picked from the trees that grow along the Nile and bread freshly baked in clay ovens. The guests were entertained by musicians, dancers and even an acting troupe.

A very big thank you to all parents who joined us on the day and the many parents who helped to design and make costumes for the children. They looked splendid!

## EXIT POINT -YEAR 5

Year 5 had a chance to share all the wonderful and creative learning that has taken place this term with parents and carers during our IPC Exit Point. We made and decorated Anglo-Saxon shields, sewed our very own tapestries and made a Saxon instrument using cardboard and elastic bands. It was a very successful afternoon and we had an amazing number of parents and carers who came along to help and support year 5! Thank you for helping to make the afternoon a success.

## EXIT POINT -YEAR 3

On Tuesday year 3 held a cake sale as part of their exit point for Chocolate. Thank you to all the parents and children for your home made treats. All the money raised will go to Children in Need. It was a great success, they raised a magnificent £169.36. Thanks again.
