

WE ARE GROWING OUR BRAINS!

I hope your child has been telling you all about their brains and how they learn, as the whole school is learning about 'learning' for the first four weeks of this term. In addition to this, we will be doing lots of work exploring how we can encourage

our children to have "Growth Mindsets". We will be sending home more information about this over the coming weeks.

Year 3 have been busy dissecting brains, identifying and naming the different parts.
