

YEAR 6 KIDZANIA TRIP

Last week Year 6 visited Kidzania in Westfield, White City. They had so much fun choosing which careers to try out and earning lots of money! Some of the careers they chose were joining the police force, becoming doctors and paramedics, International fashion modelling, cabin crew, news readers and hospitality. Some of them even got to make chocolate in the chocolate factory!

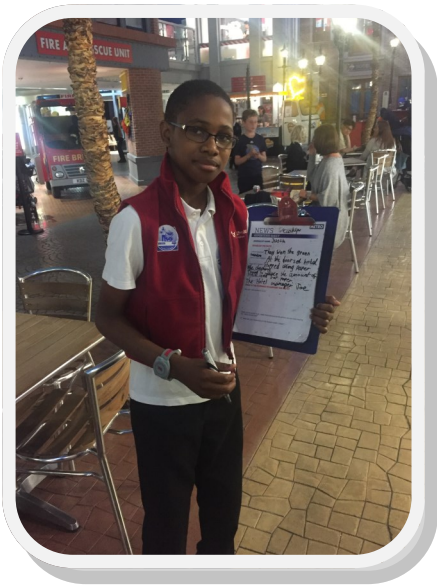

I actually enjoyed collecting kidzos from different jobs I hope to go again for my birthday! Next time I think I will do the jobs I will enjoy not just ones that pay you good haha.

My favourite job has to be..... the hotel job even though it was just tidying up.... but I enjoyed

it 😊 I also loved the operating one (It is NOT for the squeamish) it was funny though when a girl from another school was in charge of the kidney transplant and she had to lift the belly and insert the kidney (Bleugh it felt like jelly.....)

I also earned a lot of kidzos YAY!

I am really happy I went on this trip and it really helped me learn about different jobs but didn't really help me decide! but it was really fun doing all the different jobs in Kidzania!

Thank you to all the parents/carers who supported on the trip and helped make it an amazing experience for the children.
