

GIRLS' FOOTBALL TEAM

On Tuesday of this week the girls' football team played at Oakthorpe's ground in the league. They managed to win both games with amazing scores. They won against Garfield Primary School with a fantastic score of 14-1. During their second game they won against Oakthorpe Primary School 5-2. Well done to the team, Mr Hunt and Mr Upson.

YEAR 6 IMPERIAL WAR MUSEUM

Year 6 travelled to the Imperial War Museum this week as part of their new topic. We explored the vast number of Spitfire planes and submarines that they had there and even got to see devices like an "Enigma machine". We explored the idea of rationing and what families would have had to use to survive during

these perilous times. We now look forward to using the knowledge that we have acquired to make our topic come alive and have a lot of purposeful fun in the process!

YEAR 5 COUNTRYSIDE LIVE

Year 5 took a trip to Country Side Live this Wednesday. The children loved getting a real flavour of the rural and farming environment and participated in sessions including sheep shearing, traditional willow weaving, investigating trees and even had a ride on a horse drawn carriage. The

school believes that this is a valuable experience for children who live in a largely urban environment.
