

## IMPORTANT INFORMATION

We are aware that parents' are now looking to book their Christmas holiday. Christmas Holiday dates start at 1.30pm on Wednesday 21<sup>st</sup> December 2016 and all children are expected back at school on Monday 9<sup>th</sup> January 2017. Please ensure that your holidays are taken during these dates.

We need to make you aware that should you take your child on holiday during term time, not only is their education and learning interrupted but you may incur a Penalty Notice. This will be applied by the school and issued by the Local Authority and could cost you up to £120.00 per child.

Also, please note that if your child is taken out of school during term time for a holiday, his/her registered school place may be terminated. In the current climate, with over-subscribed schools, you may have a problem finding another school on your return.

Thank you for your co-operation in this matter.

Mrs M Jay  
Headteacher
