WORLD BOOK DAY

The pupils had a great day on World Book Day and really enjoyed dressing up as their favourite book character. In the morning pupils had the opportunity to work in a different class. They took part in creative activities based on a particular book. The day ended with a whole school "Big Read". Thank you to the parents/carers who attended. Keep reading!

WATER AID

Year 5 have been looking at the work of the charity Water Aid, and on Tuesday one of their representatives came in to talk about the life-changing work that they do in over 37 countries around the world.

Did you know that diarrhoea caused by dirty water and bad sanitation is the second biggest child killer worldwide? A lack of clean water and toilets keeps girls out of school, stops women from working, and traps people in poverty.

As a result of this talk, the children in Year 5 have been inspired to raise money to help Water Aid with their numerous projects. As little as £10.00 will help to build a well in a village. The children hope to raise £1000.00 over the next year. Next week on Monday 14th March the children will start their fundraising activities with a cake sale after school, and this will be followed by "dress in blue" on Tuesday 22nd March which is World Water Day.

REPORTS

Children in Years 3, 4 and 5 will be receiving their school reports today. (Year 6 and children who recently joined the school will receive their reports in the summer term).

YEAR 3 EASTER PRODUCTION

Children in Year 3 will be presenting their Easter Production on Thursday 24th March at 10.30 a.m. at St. Cuthbert's Church on Wolves Lane. All parents/carers, governors and friends from any year group are welcome to attend. I look forward to seeing you there.
