GLOBAL LINKS

During December '17 the Global and Creative Pupil Team took part in an I-EARN (international online educational programme) Holiday Postcard Exchange with 7 other schools from around the world. SMAB children designed and sent Christmas and

New Year cards with greetings and information about life at St. Michael at Bowes. In return they received cards from pupils at schools in Slovenia, Taiwan, Russia and Slovakia. The children really enjoyed the experience of exchanging greetings and reading about customs in different countries.
