HEALTHY PACKED LUNCHES

On advice from the DCSF (Department of Children, Schools and Families) and concerns generally about the increase of obesity in England we are continuing to encourage healthy eating at our school. As a school we have 'Healthy School' status, which we hope to maintain through continuing to educate the children about eating healthily and exercise.

I would like to remind you, children are not be allowed to eat crisps (or similar items), nuts or sweets as part of their packed lunch. This decision has not been put in place as a punitive measure but as a genuine concern for your child's well being.
