

LANGUAGE OF THE HALF TERM

During the 1st Spring half term we celebrated GREEK as our special Language . In the last week children planned and delivered a lesson to their fellow classmates supported by their parents and carers. They taught each other simple phrases, questions and how to count in Greek. It was a very enjoyable experience and a great opportunity for our Greek speaking pupils to become teachers and share their knowledge of their home language. A big thank you to everyone who supported us on this day and came into help, it was very

much appreciated by pupils and staff alike.

We look forward to more afternoons like this, sharing the wide range of languages that make up our unique school. With this in mind, we would like to inform you that this half term we will be celebrating the **BULGARIAN** language.

NEW ENTRANCE TO GRENOBLE GARDENS

The new entrance has finally be completed. Thank you to parents/carers for their annual contribution towards the maintenance fund, which has enable the school to partly fund the works. I would also like to thank you all for your patience when dealing with the disruption during the works.
