School vision: 'Helping each other to live successful lives in the world of tomorrow'

## MAINTENANCE FUND

As a Church school, we only receive 90% of the money we need to support our budget for the maintenance of the school building and fabric from grants. This leaves us with a budget deficit of approximately £8,000 per annum. It is for this reason that we ask for the contribution from parents. We try to be as flexible as possible and offer different means of payments, either annually or termly. The £36 contribution for each child, each year allows us to have quality works at the school and to maintain the building.

Over the last few years we have managed to have a new entrance, refurbished Year 3 and 5/6 toilets and decorated areas around the school totalling £179,000.

For next year we are putting in a bid to refurbish Year 4 toilets.

**Letters were sent out before Easter, if you have not yet paid this academic year please do so by Friday 4th May so the accounts can be closed. Thanking you in advance.**

## KS2 SATs

Year 6 will be taking their end of Key Stage 2 Statutory Assessment Tests in the week beginning 14th May. It is important that all children attend school regularly and on time. Year 3, 4 and 5 will be taking internal tests in June. Teacher assessments will be sent out to parents/carers in July. Year 6 will receive their end of year reports as well as their test results in July.

## NEW ENTRANCE WALL

Please do not allow your child/children to walk on the low level wall by the ramp. During the Easter break the flowerbed was filled with plants to enhance the school environment. Your co-operation is much appreciated.
