School vision: 'Helping each other to live successful lives in the world of tomorrow'

### YEAR 5 SCIENCE MUSEUM

On Thursday 3rd March, Year 5 visited the Science Museum to help bring their "Space Explorers" topic to life. We heard a talk from "Svetlana Savitskaya" (the first woman to perform a space-walk), saw an IMAX movie which gave us a 3d impression of

life on the International Space Station and got to see various rockets from the space race. We also visited the Statoil Interactive gallery to round off our trip with an interactive exploration of the science involved in space travel.

Newsletter Date:

Friday 11th  
May 2018

Summer Term  
Issue 4

Dates for your diary:

20th July 1.30 p.m.

### PROPOSED CHANGES TO THE SCHOOL DAY

Thank you to parents/carers who came to the meetings this Wednesday and gave their views and to those of you who made your contribution via the online survey.

It would be really helpful if those of you who have not completed our parent survey, which is on the school website please do; the survey closes on Tuesday 15th May.

Following on from the meetings we will be setting up a working party to look at additional ways to saving money. A meeting will be held on **Thursday 17th May 7.00 p.m.—8.30 p.m.** at St Michael at Bowes School. If you would like to be part of the working party please give your name to the school office.

### KS2 SATs AND BREAKFAST CLUB

Next week Year 6 will be taking their KS2 SATs tests. A special Breakfast Club and Relaxation classes will be set up for them to make sure they have a good start for each day (Monday to Thursday).

All the best to Year 6 pupils and I am sure all their hard work will pay off.

### PUNCTUALITY AND ATTENDANCE

**3S** won both the attendance and punctuality trophy.  
Well done!
