

WE ARE GROWING OUR BRAINS!

I hope your child has been telling you all about their brains and how they learn, as the whole school is learning about 'learning' for the first four weeks of this term. In addition to this, we will be doing lots of work exploring how we can encourage our children to have "Growth Mindsets".

MEDICAL FORMS

Are you concerned about your child's safety and well-being? If so please make sure you return your child's medical form. The information you give us is crucial, especially when we need to contact you in an emergency. Forms will be sent out this month.

If any of your information or contact details change the school office must be informed as soon as possible.

CLUBS

Please keep a look out for information regarding clubs.

A variety of clubs are organised during lunchtime and after school. Many are organised by outside agencies who charge a fee.

BREAKFAST CLUB

Breakfast club runs every day of the week 7.45 a.m. a.m.–8.25 a.m. £2.50 per day. If you are interested please collect a request form from the school office.

Money must be paid in advance at the beginning of each week.

BIRTHDAYS

A reminder to parents/carers we are unable to allow sweets or cakes to be given out for children's birthdays as we have many children who have severe **NUT allergies.**

When it is your child's birthday they can come to my office where they will receive a Birthday certificate, pencil and sticker.

Thank you for your co-operation.
