GAMES WORKSHOP FOR PARENTS

A big thank you to all the parents/carers who were able to attend our first games workshop delivered by Paddy, a consultant from the Achievement for All programme. Parents/carers had the opportunity to find out about exciting Games and Challenges that can be undertaken at home to support their child's learning.

They left the session with a 'goody' bag of resources. I hope you will be able to join us for the next workshop later on in the year.

MATHS WEEK

During our Maths week the children took part in lots of fun and practical activities that provided them with new and exciting experiences as well as supporting them in developing key skills and mathematical thinking.

The theme was **'enterprise'**, whereby children came up with brilliant business ideas with the intention of making as much profit as possible. They used a variety of skills, including, interpreting data and budgeting. In groups they had the opportunity to pitch their idea to a panel of judges. Thank you to parents/carers who were able to come and hear the children present their business plan.

ST PAUL'S CATHEDRAL SERVICE

Last Friday, 8 pupils, 2 teachers and a governor attended a service at St Paul's Cathedral alongside children and staff from schools across the London Diocese. We celebrated our family of Church of England schools with almost 1,000 people attending.
