VISIT BY MONTELL DOUGLAS

Former British holder for the 100 metres, Montell Douglas, held an assembly for the

children to talk about Getting Active for Mental Health. The children enjoyed the interactive assembly, taking part in Human Rock Paper Scissors. Being active is great for our physical health and fitness as well as our mental wellbeing.

At St Michael at Bowes we believe that our vision underpins everything we do and as such we strive for our children to 'build on firm foundations' in order for them to lead successful lives.

Along with staff, pupils, governors and the London Diocesan Board for Schools (LDBS) we are writing a spirituality policy and would welcome parents' views and contribution to the final version of the policy.

If you would like a draft copy of the policy before the meeting please ask at the office.

Look forward to seeing you. Tea/coffee will be available.
