SMAB BAKE OFF

Our first Great SMaB Bake Off has been simply sensational. We finished the week today with our Creative pupil team tasting each cake and judging on flavour and appearance - a very tough choice! The results: **1st place - 5A**, **2nd place - 5L**, **3rd place - 6B**

Thank you so much to each class for tasting, evaluating, designing, baking and decorating the cakes with such enthusiasm this week and an equally huge thank you to the staff who have made this week a complete success! Biscuits next year!

PUNCTUALITY AND ATTENDANCE TABLE

Which class will win the trophies next week?

Another amazing result for **5A**; 5th week running. **4C** won the attendance. Attendance has dropped across the school, this needs to improve.

BROOMFIELD COMMUNITY PROJECT

A local group called Broomfield Pond Swim Society are crowdfunding to clean up and reopen the Broomfield Park ponds for swimming and recreation. They have been working with The Mayor of London's Office to get this project off the ground and the next step is getting as much community backing as possible.

'Do you and your children love wild swimming? The Broomfield Pond Swim Society are crowdfunding to clean up and reopen the paddling pool and bathing pond in Broomfield Park. A pledge of just £2 can make a huge difference so please do get involved. Spacehive will ask for your postcode, it's important to add this because the Mayor of London's Office want to see a show of local support. Thanking you in advance.'

TOTTENHAM HOTSPURS FOOTBALL CLUB

Year 3 & 4 football team had the privilege of visiting Tottenham Hotspurs Football Club's state of the art training facility and even got to play in some short-sided games against Enfield School.

The afternoon was excellent fun and the boys played some wonderful football with some real talent emerging. The whole experience was described by one of the children as 'luxurious', I was quick to agree. Many thanks to Miss Bell for her support throughout the afternoon and for the team's commitment and good behaviour — they were a real credit to the school..
