CLOCK WORKSHOP

During a workshop session some of our pupils created these wonderful clocks. They initially designed their clocks and then they fitted the mechanical components. Well done!! We think they are fantastic.

PARENT GOVERNORS

Are you interested in becoming a parent governor?

Daniela Savevska-Tsang, has been a parent governor for the last 4 years, her term of office comes to an end this month. If any parent is interested in becoming a governor please let the office know. If you would like to know more, I am more than happy to discuss what the role entails.

I would like to thank Daniela for all her hard work and dedication to her role as parent governor.

FAMILY SUPPER

On Thursday 17th October, we will be holding SMAB's annual Family Supper. Raffle tickets will be sold at the event, any donations of prizes would be greatly appreciated.

WE NEED YOUR HELP!

Next half term, the whole school will be learning about entrepreneurship. We will be setting up our own mini-enterprises, leading to a Winter Fayre in December where we will showcase (and sell!) our products.

In order for the children to understand how businesses run, we are looking for family members who own or run their own businesses. We would like to bring groups of children to visit the business and/or for people to come into school to speak with groups of children about their business and how it has grown.

We are producing your employees of the future so please offer any support you can to help our pupils learn about the world of work and running their own business.

If you are able to help us, please contact **Mrs Butcher** by email, in person or on Class Dojo. Thank you in advance for your support.

CLASS DOJO

HAVE YOU SIGNED UP YET?

We believe that effective communication between home and school is essential to support children in their learning. We use Class Dojo in every class to celebrate the sensible choices the children make. Class Dojo is a communication application (app) which connects parents/carers, teachers and children. Teachers use it as a communication platform to encourage children and to get parents/carers engaged in their children's learning. It has a reward component and a communication system. If you have not already done so please download the app and sign up as we will be using this more as a means of communication. If you are unsure, ask your child's class teacher.
