YEAR 6 MYBNK WORKSHOP

My Bank recently visited year 6 to discuss how to save our money. We had an assembly and workshop where we discussed scenarios and problems where we used our knowledge of money to solve them. In addition, we watched videos of 'Young Entrepreneurs' and another about 'delayed gratification'. Overall it was very informative and we thoroughly enjoyed it – we are looking forward to their return in a fortnight when we will be learning more about money management.

STEVE MCQUEEN YEAR 3 OPENS AT TATE BRITAIN

In September 2018, our current Year 4 took part in an exciting project. Turner Prize-winning artist and Oscar-winning filmmaker Steve McQueen, together with Tate Britain, Artangel and A New Direction, unveil one of the most ambitious visual portraits of citizenship ever undertaken in one of the world's largest cities.

An epic portrait of the future of London - this vast new artwork captures thousands of local children in a milestone year in their development. 76,146 Year 3 pupils from 1,504 London schools will be featuring in 3,128 class photographs in the Duveen Galleries at Tate Britain from 12 November 2019 - 03 May 2020.

Over the past week, you may have been aware of Year 3 class photographs popping up on over 600 billboards across London's 33 boroughs as part of an accompanying, city-wide outdoor exhibition organised by Artangel, which continues across London until 18 November 2019.

Why not take your child to visit the Tate Britain. Can they find themselves? Do you recognise anyone?
