Summer Term
Issue 3

SMAB NEWSLETTER

The newsletter will not be going out every week. The aim is for it to be sent fortnightly. There maybe updates through out the week on Class dojo.

LETTER—STAGGERED RE-OPENING FOR SCHOOL YEAR 6.

Last week a letter from me was uploaded on to Class Dojo and on the school website to try to give you an update as to where we are as a school with regards to our re-opening plan. This is a long letter; I do apologise but there is a lot of information to try to get across so that you are aware of our situation and the work we are doing as a school. Please make sure you read the letter to understand what is happening.

SAFEGUARDING

Despite the school being closed we are still responsible for safeguarding all of our pupils and families. Should you have any safeguarding concerns or need support in anyway whilst your child is learning from home, please contact Mrs Lennon, the school's Designated Safeguarding Lead by emailing assistantheadteacher@smab.enfield.sch.uk.

FREE TRAINING AVAILABLE FOR ADULTS

The Skills Toolkit, which is the government's response to enable people who are unemployed or furloughed to develop their workplace and digital skills. The website groups training in to 'beginner', 'intermediate; and 'advanced' courses and takes the learner to the relevant training provider offering this. All training courses are FREE. Please find the link to the website here: <https://www.gov.uk/government/news/new-free-online-learning-platform-to-boost-workplace-skills>

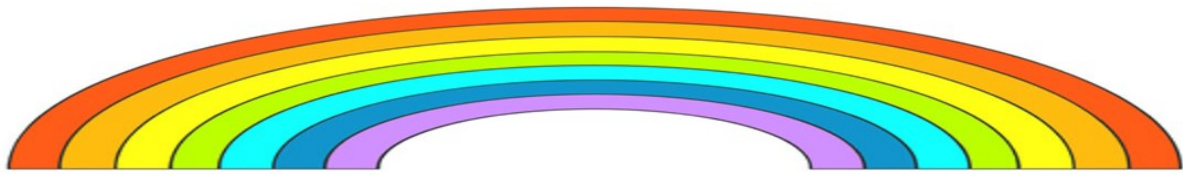

KEEPING SAFE

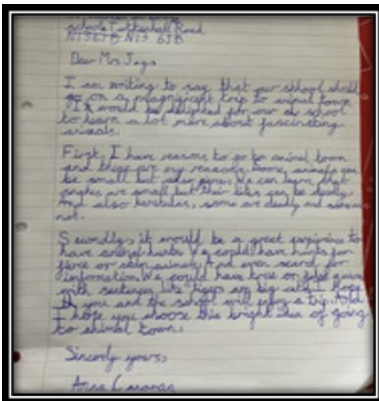

Remember to wash your hands regularly with soap for 20 seconds and always after going out anywhere.

'God puts rainbows in the clouds so that each of us - in the dreariest and most dreaded moments - can see a possibility of hope.' ~ Maya Angelou

SMAB HOME LEARNING

YEAR 3

Some of our Year 3 pupils, like **Leon** in **3M** have been really busy this week at home with their maths fluency. It's been great to see so many children working with their families to have a go at the home learning tasks.

For the last few weeks, Year 3 have been basing their writing on the legendary Animal Town where animals are free to wander and humans can visit. This week we asked them to write a persuasive letter encouraging the school to book a visit so that we could see Animal Town for ourselves. **Anna 3T** rose beautifully to the challenge writing a very convincing letter using powerful adjectives.

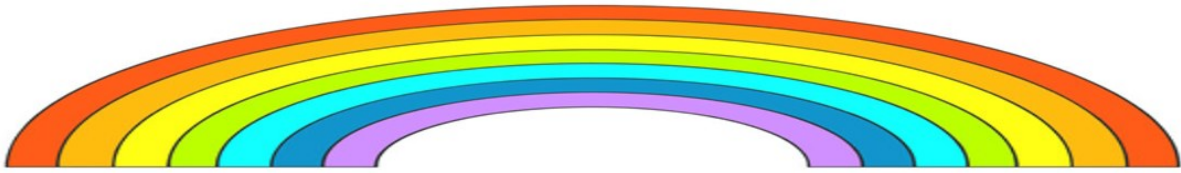

Klaudia in **3S** has created a musical instrument out of recycled materials she had at home. Well done - happy drumming!

YEAR 4

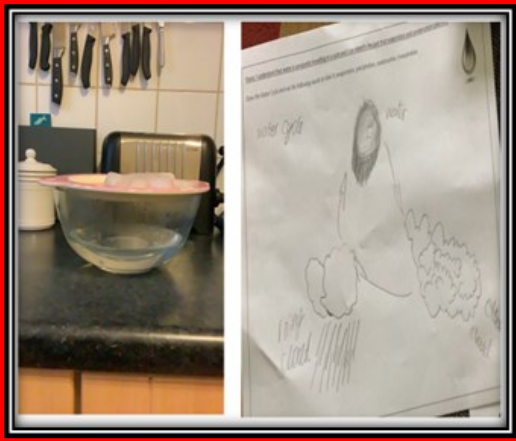

Well done to **Adam (4I)** for creating a fabulous PowerPoint on the Ancient Greek Empire. It was very informative and extremely engaging to read.

SMAB HOME LEARNING

YEAR 4

Maxim has created his own water cycle and has made a drawing to go along with it, this is what he has to say about the experiment... 'So the sun heats up the water and then the hot water then evaporates into the sky and when the hot water hits the cold water it then precipitates and it starts to rain' Great vocabulary **Maxim** and impressive explanation!

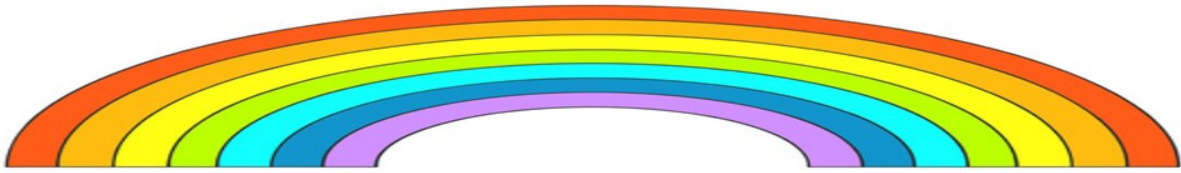

Eli has been learning how to play chess with his brother amongst all of the academic work he has been completing which is a great skill to learn and will definitely keep him occupied!

YEAR 5

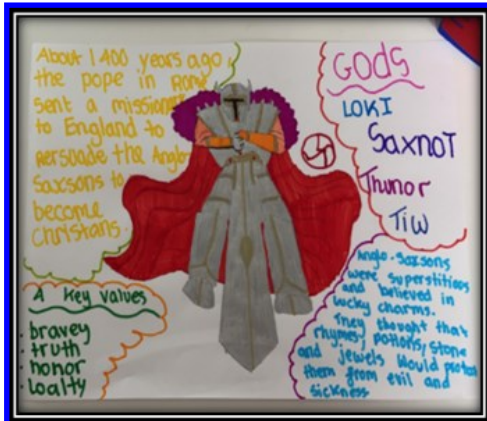

This week **5A** have been exploring Anglo Saxon clothing. Here are two Anglo Saxon outfits, designed by Hamza and Marcell. Well done for using your research to create the designs!

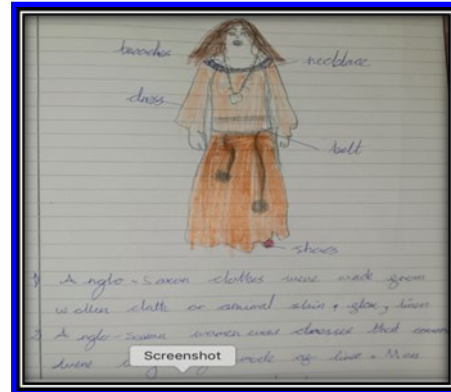

SMAB HOME LEARNING

YEAR 5

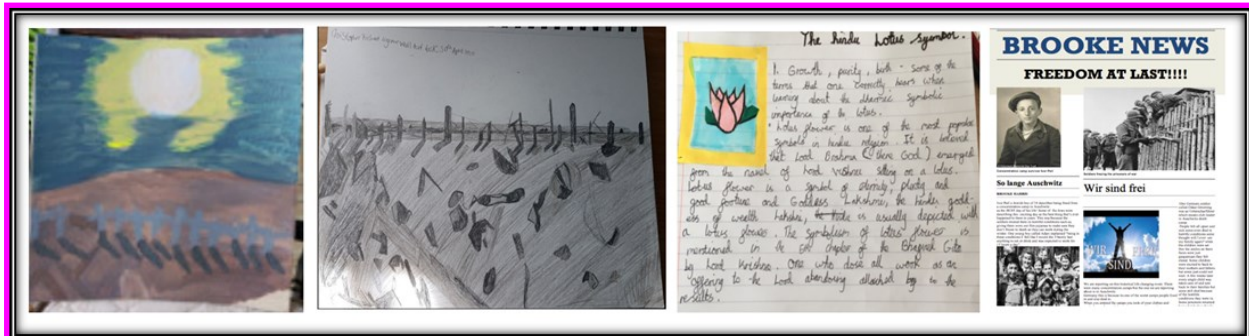

Simran (5E) researched about the Anglo Saxons and created an eye-catching poster.

Some excellent work has been going on in 5L and we are really pleased with the effort that is being put into all the work they are doing. Here is an example of some Anglo-Saxon clothes designed by **Divna** in one of her Topic lessons.

YEAR 6

Once again **Y6** have been busy working hard at home and have really been enjoying the home learning tasks being set. They have been extremely creative by using artwork by the World War painter Nevinson as inspiration their own artwork pieces. As well as this, they have tackled a range of Maths and SPaG activities and produced some beautiful RE value symbols using their learning from Hinduism. Our writing focus has been journalistic writing and **Y6** have written some fantastic newspaper reports about the liberation of the WWII concentration camps. Keep up the fantastic work **Y6!**
